Sold in quantities of 6
6-unit inner box; 24-unit carton

EMBOSSED HONEYCOMB overlay helps towel absorb & retain water

INCLUDED CONTAINER can be used to store & transport to jobsite

ACTIVATING

Wet the towel and gently wring out the excess water. For optimal cooling, keep the Cooling Towel extra wet. When the towel dries out, simply reactivate with more water.

STORING

The cooling towel can be stored in the tube provided. For daily use, store it slightly wet and with the tube lid off.

CLEANING

Machine or hand wash with mild detergent. Do not machine dry; air dry only.
