

MBS 4 BANDSAW

VERSATILE & PRECISE METAL CUTTING

Steelmax introduces the Semi Automatic MBS 4 Metal Cutting Bandsaw. The MBS 4 is a fantastic solution for precision metal cutting. Unlock unparalleled efficiency and precision with the MBS 4, a tool designed to effortlessly tackle a variety of materials and shapes, including pipe, H- and I-beams, square pipe and round bar. This versatile tool is your go-to solution for quick, precise metal cutting.

The MBS 4 easily makes right angle and miter cuts with its integrated vise which positions and securely holds each part for precise cuts, offering unmatched versatility for your projects. Tedious deburring and finishing tasks are things of the past as the MBS 4 delivers incredibly clean cuts, leaving behind smooth edges that require minimal post-processing

FEATURES

- Spark free, clean cuts
- Auto-stop at cut completion
- Adjustable feed speed
- Vise enabled miter cuts
- Blades available as 14 TPI or 18 TPI

MBS 4 Technical Specifications	
Part Number	SM-MBS-4
Motor Power	220-240V, 200W
Weight	36.3 lbs
Cutting Capacity: Steel Pipe	90° : 4.5" / 45° : 2"
Cutting Capacity: H Beam	90° : 4" x 4"
Cutting Capacity: Round Bar	90° : 2.4" / 45° : 2"
Cutting Capacity: Square Pipe	90° : 4" / 45° : 2"
Blade Options	14 TPI & 18 TPI
Applications	Pipe, plate, channel, grating, H-Beam
Dimensions (L x W x H)	23 3/5" x 10" x 11 1/5"
Blade Speed No Load	246' (75m)/min (50/60Hz)
Blade Speed Cutting	147' (45m)/min (50/60Hz)
